## **Cancellation Policy:**

From the moment a person registers for our Hypnosis Training Course, the staff makes plans to accommodate them. If that person cancels, there has already been staff time and resources spent to prepare for that person to attend. So, each of our courses have a cancellation fee to cover the resources spent in anticipation of the registrant's attendance. Because of this, The Counseling Center will refund all but \$100 of the deposit paid up to 1(one) week before the start of the class. Within 1 week of the class, any amount paid will be credited to the next scheduled class. Substitutions may be sent.

On-site group training is available at your location. Call for details.

### **Hypnosis Certification Training**

The National Guild of Hypnotists has been preparing people for over 60 years to successfully **help others with Hypnosis/Hypnotherapy** – and to have **success** in your practice. This course will provide you with the skills you need to **become a successful hypnotherapist** and meet the training requirements to receive the National Guild of Hypnotists' Certification. This is an intensive and comprehensive training program that gives you everything you need to succeed in this career. All classes are conducted using the NGH's core-curriculum and teaching materials providing you with a complete classical approach to hypnosis, which enables each participant to work with weight problems, smoking cessation and stress management for both individuals and groups.

The training at the Counseling Center is based on over twenty-five years of research, proven behavioral programs and the clinical approach of Sarah Gewanter, MSSW, Certified Instructor, Director. The approach taken provides the opportunity for each participant to gain confidence by practicing with other students. The primary objective is for you to learn all aspects of hypnosis and its applications in as thorough, complete and scholarly a manner possible.

### **Private Instruction and/or Supervision available**

Private and confidential sessions are available for those who would like a more intensive one-to-one approach for the purpose of improving your skills, learning other advanced techniques or moving forward in your own personal growth process. Fee: \$125.00 per hour by appointment

### **Program Designed For:**

- All **mental health and health professionals**, including therapists, counselors, psychiatrists, psychologists, social workers, nurses, massage therapists, physical therapists, doctors, dentists and teachers who want to enhance their skills and add Hypnosis as a short-term treatment modality.
- **Everyone** interested in learning Hypnosis and Self-Hypnosis for self-improvement.
- All **hypnotherapists** interested in further enhancing skills and learning group leadership skills and programs that can be offered to private, corporate and government clients.

## Hypnosis Certification Training Course Description

**Lessons 1 – 5:** All preliminary material before actually hypnotizing clients. This includes suggestibility tests, history and theories.

**Lessons 6 – 10:** *How to Hypnotize*, including the depth stages of hypnosis, awakening procedures.

**Lessons 11 – 14:** More advanced hypnosis methods and the development of suggestions.

**Lessons 15 – 18:** Applications of hypnosis are discussed including smoking cessation, weight control and stress management programs.

**Lessons 19-25:** Further advanced techniques, including the complete self-hypnosis segment, in order to teach a self-hypnosis technique to all clients.

**Lesson 26:** Business aspects of hypnosis is taught from a marketing and sales perspective.

In this course you will be taught hypnosis using the **performance, observation and practice methods** – gaining actual hands-on experience. Upon completion of the training, all will be hypnotists, enjoying the fun of it and talking positively and optimistically about hypnosis.
